

This Agreement covers your and our rights and responsibilities concerning your Bill Pay services offered to you by First Community Credit Union ("Credit Union"). In this Agreement, the words "you" and "yours" mean those who sign an application or authorization to use the Bill Pay service and any authorized users. The words "we," "us," and "our" mean the Credit Union. By submitting a Bill Pay enrollment or your acceptance of Bill Pay services, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments. You agree that when you use Bill Pay, you will remain subject to the terms and conditions of all your existing agreements with us including the Member Service Agreement "Our Electronic Funds Transfer Terms."

1. Bill Pay Service

When you apply for the Bill Pay service you must designate your checking account as the account from which payments that you authorize will be deducted. You will be given the ability to set up merchants, institutions or individuals that you would like to pay. You have the option to set your payments up as recurring or manual one-time payments. You are not permitted to designate governmental agencies or courts. We reserve the right to not allow the designation of a particular merchant or institution. You may not use this service to pay taxes. Unless advised otherwise, payments may only be made to payees located in the United States.

You or any persons who you have authorized to use your Bill Pay Service, Online Banking Service, sign-on Password or any access code can perform the following transactions:

- Make loan payments from a checking account with us to a loan account with us
- Make payments (whenever possible according to the terms and conditions of the bill payment service) from a checking account to a loan account at another financial institution
- Make payments (whenever possible according to the terms and conditions of the bill payment service) to any other third party with a U.S. domestic mailing address.

Please note that if payment to a payee is made by check, the check may be processed and debited from your account before the scheduled payment date.

a. Bill Pay Transactions

You authorize us to process bill payments from your designated account. You may use the Bill Pay service to initiate three different types of payment transactions:

- "On demand" or "one-time" payments are payments that are not recurring. You set up the payment date and amount each time you wish to make a payment to the payee. You may cancel or edit a payment if the status is pending.
- "Expedited" payments are delivered faster than standard payments. These payments are subject to a fee as set forth in the Rate and Fee Disclosures. You **cannot** cancel or edit an expedited payment once it has been submitted.
- "Recurring" payments are payments that are recurring on a fixed due date and fixed amount. You have an option in the Bill Pay system to set these automatic payments to continue indefinitely or set a maturity date. You may cancel or edit a payment if the status is pending.
- For accounts open less than thirty (30) days, you are limited to \$5,000 in transactions per day and \$15,000 in transactions within any one 30-day period. No single transaction can exceed \$5,000.
- For accounts open thirty (30) days or more, you are limited to \$75,000 in transactions per day and \$150,000 in transactions within any one 30-day period. No single transaction can exceed \$25,000.

b. Authorized Payments

When you transmit a bill payment instruction to us, you authorize us to transfer funds to make the bill payment transaction from your checking

account or any other account you designate. We will process bill payment transfer requests only to those payees the Credit Union has designated in its User Instructions and such payees as you authorize and for whom the Credit Union has the proper payee code number. The Credit Union will not process any bill payment transfer if we know the required transaction information is incomplete. In any event, the Credit Union will not be liable for any transaction that contains incorrect information that the Credit Union was not responsible for entering or knowing. If there are insufficient funds in your account to make the bill payment request, we may either refuse to make the payment or make the payment and transfer funds from any overdraft protection account you have established. The Credit Union reserves the right to refuse to process payment instructions that reasonably appear to the Credit Union to be fraudulent or erroneous.

c. Processing Payments

The amount of your requested bill payments will be deducted from your account (normally within two business days of the date that the payment is transmitted to the payee). You will receive a confirmation number at the time of each transaction. Therefore, you must have sufficient funds available to cover your payment on the date in which the payment is scheduled to be issued.

Bill payments are delivered to the payee either electronically, which may take up to five business days from the Scheduled Debit Date, or by check to those payees not set up to accept electronic payments, which may take up to ten business days from the Scheduled Debit Date. It is your responsibility to schedule your bill payments in such a manner that your obligations will be paid on time. You should enter and transmit your bill payment instructions at least ten (10) business days before a bill is due. If you do not allow sufficient time, you assume full responsibility for any late payments or finance charges that may be imposed as a result of your failure to transmit a timely bill payment authorization.

d. Canceling or Changing Bill Payments

You may cancel or stop payment on Future and Recurring bill payments instructions under certain circumstances by following the instructions provided. If you discover an error in or want to change a payment instruction (i.e. payment date or payment amount) for a bill payment that you have already scheduled for transmission through the Bill Pay service, you may electronically edit or cancel your payment request through the Bill Pay service. Your cancellation request must be entered and transmitted through the Bill Pay service before the date you have scheduled for payment. If your request is not timely entered, you will be responsible for the payment.

If you wish to place a verbal stop payment on a recurring bill payment transaction, not using the Bill Pay service, the Credit Union must receive your verbal stop payment request at least three (3) business days before the Scheduled Debit Date. You may call the Credit Union at the telephone number set forth in Section 5 to request a stop payment. If you call, the Credit Union may require you to confirm your stop payment request in writing within 14 days after the call.

e. Third Party Services

The actual payment mailings (Checks) and electronic fund transfers of bill payments are handled by an independent third party. Neither the Credit Union nor our third-party affiliates will be responsible for the completion and accuracy of the transaction information that you submit, add, or delete from the online bill payment platform.

1) A2A and P2P Services. Transfers using the A2A service or P2P service are subject to limitations that will be disclosed to you at the time you initiate the service.

2. Security of Password or Access Code

a. Security

The personal identification number, password or access code ("access code") that you select is for your security purposes. The access code is confidential and should not be disclosed to third parties or recorded. You are responsible for safekeeping your access

code. You agree not to disclose or otherwise make your access code available to anyone not authorized by you to sign on your accounts. If you authorize anyone to have or use your access code, you understand that person may use the Online Banking or Bill Pay service to review all of your account information and make account transactions. Therefore, we are entitled to act on transaction instructions received using your access code and you agree that the use of your access code will have the same effect as your signature authorizing transactions.

b. Authorization

If you authorize anyone to use your access code in any manner, that authority will be considered unlimited in amount and manner until you specifically revoke such authority by notifying the Credit Union and changing your access code immediately. You are responsible for any transactions made by such persons until you notify us that transactions and access by that person are no longer authorized and your access code is changed. If you fail to maintain or change the security of these access codes and the Credit Union suffers a loss, we may terminate your electronic funds transfer and account services immediately.

3. Member Liability

You are responsible for all transfers you authorize using the Bill Pay services under this Agreement. If you permit other persons to use your access code, you are responsible for any transactions they authorize or conduct on any of your accounts. However, tell us at once if you believe anyone has used your access code and accessed your accounts without your authority. Telephoning is the best way of keeping your possible losses down. For Bill Pay transactions, if you tell us within two (2) business days, you can lose no more than \$50 if someone accessed your account without your permission. If you do not tell us within two (2) business days after you learn of the unauthorized use of your account or access code, and we can prove that we could have stopped someone from accessing your account without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows Bill Pay transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may be liable the full amount of the loss if we can prove that we could have stopped someone from making the unauthorized EFT transactions. If a good reason (such as a hospital stay) kept you from telling us, we may extend the time periods.

If you believe your access code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call: 636-728-3333 or toll free at 800-767-8880, or write to us at: 17151 Chesterfield Airport Rd., Chesterfield, MO 63005.

4. Fees and Charges

Currently there is no monthly service charge for Bill Pay services. You agree to pay all fees and charges for deposit account services as set forth on "Our Rates and Service Charges." All fees and charges are subject to change by the Credit Union upon thirty (30) days written notice to Member.

5. Transaction Documentation

Transfers initiated through the Bill Pay services will be recorded on your periodic statement by mail or electronically if you have requested an electronic statement. You will receive a statement monthly. You may request that your statement be provided electronically.

6. Account Information Disclosure

We will maintain the confidentiality and privacy of your account information in accordance with our privacy policy as stated on our website at: www.firstcommunity.com. However, we will disclose information to third parties about your account or the transfers you make in the following circumstances:

- As necessary to complete transfers;

- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant.
- To comply with government agency or court orders;
- If you give us your express permission.

7. Disclaimer of Warranties

YOU ACKNOWLEDGE THAT THE SERVICE IS PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. THE CREDIT UNION IS NOT RESPONSIBLE FOR ANY ERRORS OR OMISSIONS IN OR TO ANY INFORMATION RESULTING FROM YOUR USE OF THE SERVICE. THE CREDIT UNION MAKES NO AND EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, REGARDING THE SERVICE INCLUDING THE WARRANTY OF TITLE AND THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE CREDIT UNION DISCLAIMS ANY WARRANTIES REGARDING THE OPERATION, PERFORMANCE OR FUNCTIONALITY OF THE SERVICE (INCLUDING, WITHOUT LIMITATION, THAT THE SERVICE WILL OPERATE WITHOUT INTERRUPTION OR BE ERROR FREE). YOU FURTHER ACKNOWLEDGE THAT THERE ARE CERTAIN SECURITY, CORRUPTION, TRANSMISSION ERROR AND ACCESS AVAILABILITY RISKS ASSOCIATED WITH USING OPEN NETWORKS SUCH AS THE INTERNET AND/OR TELECOMMUNICATION LINES OR CIRCUITS. YOU ASSUME ALL RISKS RELATING TO THE FOREGOING.

8. Our Liability for Failure to Make Transactions

If we do not complete a transfer from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. Our sole responsibility for an error in a transfer will be to correct the error. You agree that neither we nor the service providers shall be responsible for any loss, property damage or loss, whether caused by the equipment, software, Credit Union, or by online browser providers such as Microsoft (Microsoft Internet Explorer), Apple (Safari), Mozilla (Firefox), Google (Chrome) or by Internet access providers or by online service providers or by an agent or subcontractor for any of the foregoing. Nor shall we or our service providers be responsible for any direct, indirect, special, or consequential economic or other damages arising in any way out of the installation, download, use, or maintenance of the equipment, software, online access services, or Internet browser or access software. In this regard, although we have taken measures to provide security for communications from you to us via the online access service and may have referred to such communication as "secured," we cannot and do not provide any warranty or guarantee of such security. In states that do not allow the exclusion or limitation of such damages, our liability is limited to the extent permitted by applicable law. The Credit Union and our service providers will not be liable for the following:

- If, through no fault of ours, you do not have enough available funds in your account to make the transfer, your account is inactive, or the transfer would go over the credit limit on your line of credit, if applicable.
- If you used the wrong access code or you have not properly followed any applicable computer, or Credit Union user instructions for making transfer and bill payment transactions
- If your computer fails or malfunctions or the phone lines or Credit Union computer system was not properly working, and such problem should have been apparent when you attempted such transaction.
- If circumstances beyond our control (such as fire, flood, telecommunication outages or strikes, equipment or power failure) prevent making the transaction.
- If the funds in your account are subject to an administrative hold, legal process or other claim.

- If you have not given the Credit Union complete, correct and current instructions so the Credit Union can process a transfer.
- If, through no fault of ours, a bill payment or funds transfer transaction does not reach a particular payee due to changes in the payee address, account number or otherwise; the time you allow for payment delivery was inaccurate; or the payee failed to process a payment correctly, or in a timely manner, and a fee, penalty, or interest is assessed against you.
- If the error was caused by a system beyond the Credit Union's control such as a telecommunications system, an online service provider, any computer virus or problems related to software not provided by Credit Union.

We may establish other exceptions in addition to those listed above.

9. Termination of Bill Pay Services

You agree that we may terminate this Agreement and your Bill Pay services, if you, or any authorized user of your Bill Pay services or access code breach this or any other agreement with us; or if we have reason to believe that there has been an unauthorized use of your Accounts or access code; or if you conduct or attempt to conduct any fraudulent, illegal or unlawful transaction; or if we reasonably believe your account conduct poses an undue risk of illegality or unlawfulness. You or any other party to your account can terminate this Agreement by notifying us in writing. Termination of service will be effective the first business day following receipt of your written notice. Termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

10. Notices

The Credit Union reserves the right to change the terms and conditions upon which this service is offered. The Credit Union will notify you at least twenty-one (21) days before the effective date of any change, as required by law. This means we will mail you notice or if you have consented to electronic disclosures, we will send it to the e-mail address you have designated. Use of this service is subject to existing regulations governing the Credit Union account and any future changes to those regulations.

11. Statement Errors

In case of errors or questions about your Bill Pay transactions call: 636-728-3333 or toll free at 800-767-8880 or write to us at: 17151 Chesterfield Airport Rd., Chesterfield, MO 63005. We must hear from you no later than sixty (60) days after we sent the first statement on which the problem appears. In your notice:

- Tell us your name and account number.
- Describe the transaction you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us verbally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will tell you the results of our investigation within ten (10) business days after we hear from you and will correct the error promptly. For errors related to transactions occurring within thirty (30) days after the first deposit to the account (new accounts), we will tell you the results of our investigation within twenty (20) business days. If we need more time, however, we may take up to forty-five (45) calendar days to investigate your complaint or question (ninety (90) calendar days for new account transaction errors, or errors involving transactions initiated outside the United States). If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not recredit your account.

If we decide after our investigation that an error did not occur, we will deliver or mail to you an explanation of our findings within three (3) business days after the conclusion of our investigation. If you request, we will provide you copies of documents (to the extent possible without violating other members' rights to privacy) relied upon to conclude that the error did not occur.

12. Enforcement

You agree to be liable to the Credit Union for any liability, loss, or expense as provided in this Agreement that the Credit Union incurs as a result of any dispute involving your accounts or services. You authorize the Credit Union to deduct any such liability, loss, or expense from your account without prior notice to you. This Agreement shall be governed by and construed under the laws of the state of Missouri as applied to contracts entered into solely between residents of, and to be performed entirely in, such state. In the event either party brings a legal action to enforce the Agreement or collect any overdrawn funds on accounts accessed under this Agreement, the prevailing party shall be entitled, subject to Missouri law, to payment by the other party of its reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions, if applicable. Should any one or more provisions of this Agreement be determined illegal or unenforceable in any relevant jurisdiction, then such provision be modified by the proper court, if possible, but only to the extent necessary to make the provision enforceable and such modification shall not affect any other provision of this Agreement.
