CHAIRMAN'S

Message

First Community continued to deliver in 2019 on its commitment to the finest financial products and services for members to support their needs.

2019 was a very successful year. We continued to grow our assets and membership to record levels.

We grew our branch network by opening a full-service branch in Waterloo, Illinois. This brought our total locations to 44 with eight offices now in Illinois.

In 2019 First Community was once again honored as a Top Work Place in St. Louis and we donated over \$50,000 to local organizations through employee donations and corporate contributions.

In 2019, our credit union reached 2.8 billion in assets and our membership grew to over 330,000.

We thank our members for their continued trust in the safety and soundness provided by First Community. We will continue to earn their trust and deliver services that meet their growing needs.
